

Parental Consent Form – Children Under 13

Dear Parents:

This school year, _____ (the School) will be using Stage Write Software, a digital platform provided by Open Jar Productions LLC that allows users to manage theater and show productions.

Stage Write allows directors and actors in a theatrical production to upload, download, and organize script, staging, videos, audio recordings, and production designs in order to review, rehearse a production.

When your child creates a Stage Write account, Stage Write collects personal information from students, including the student's name, email address and school of attendance. Stage Write may also collect the student's IP address. For more information on Stage Write's use and collection of personal information through its software, please review the Stage Write Privacy Policy, which is attached with this notice and is also available at :
