These Third Party Services may use Tracking Technologies to independently collect information about you and may solicit information from you. The information collected and stored by third parties, whether through our Service, a Third Party Service, a Third Party Feature (defined below), or a third party device, remains subject to their own policies and practices, including what information they share with us, your rights and choices on their services and devices, and whether they store information in the U.S. or elsewhere. A. Review and Update of Account Information.

You may access, update, or remove certain account information that you have voluntarily submitted to us through the Service by sending an e-mail to the e-mail address set forth in the section entitled "Contact Us" below. We may require additional information from you to allow us to confirm your identity. Please note that we will retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements. California residents and European data subjects have additional rights as set forth in the sections entitled "Your California Privacy Rights" and "Your European Privacy Rights" below.

B. Tracking Technology Choices.

- **App Technologies.** You can reset your device advertising Id at any time through your device settings, which is designed to allow you to limit the use of information collected about you. For information on how to do this on Apple devices, visit Apple.com or <https://support.apple.com/en-us/HT202074>. For information on how to do this on Android devices, visit Google.com. You can stop all collection of information via an app by uninstalling the app.
- **Do Not Track.** Your browser settings may allow you to automatically transmit a "Do Not Track" signal to online services you visit. Note, however, there is no industry consensus as to what site and app operators should do with regard to these signals. Accordingly, we do not monitor or take action with respect to "Do Not Track" signals or other mechanisms. For more information on "Do Not Track," visit <http://www.allaboutdnt.com>.

Please be aware that if you disable or remove Tracking Technologies some parts of the Service may not function correctly.

This program offers a centralized location where users can make choices about the use of their information for online behavioral

advertising. To learn more about the DAA and your opt-out options for their members, please visit (i) for website opt-out, <http://www.aboutads.info/choices>; and (ii) for mobile app opt-out, <http://www.aboutads.info/appchoices>. In addition, some of these third parties may be members of the Network Advertising Initiative ("NAI"). To learn more about the NAI and your opt-out options for their members, please visit <http://www.networkadvertising.org/choices/>. Please note that if you opt-out of online behavioral advertising using any of these methods, the opt-out will only apply to the specific browser or device from which you opt-out. Further, opting-out only means that the selected members should no longer deliver certain Interest-based Advertising to you, but does not mean you will no longer receive any targeted content and/or ads (e.g., from other ad networks). We are not responsible for effectiveness of, or compliance with, any third-parties' opt-out options or programs or the accuracy of their statements regarding their programs.

You may also limit our use of information collected from or about your mobile device for purposes of serving online behavioral advertising to you by going to your device settings and selecting "Limit Ad Tracking" (for iOS devices) or "Opt out of Interest-Based Ads" (for Android devices).
